PORTO • PORTUGAL

Pestana Douro Riverside está localizado na margem direita do **rio Douro**, a **10 minutos de distância do centro do Porto**. Um cenário fascinante para a sua estadia!

O edifício onde hoje se situa o Pestana Douro Riverside, resulta da reconversão de uma **fábrica histórica** no panorama industrial português, construída em 1888.

A grande chaminé junto à receção é um dos testemunhos vivos deste passado. Através de diferentes administrações (Monteiro Santos & Companhia, Companhia Fabril do Douro, Companhia Aliança Fabril, CUF e Floral) e ao longo de um século, a fábrica produziu, velas, sabão e óleos vegetais, com um interregno de 15 anos para obras de adaptação.

***Pestana Douro Riverside** is located on the right bank of the Douro River, **10 minutes away from Porto city center**. A fascinating setting for your stay! It is an excellent choice for meetings, with **several conference rooms**, and a huge hall **adaptable to large events**.*

*The Congress Center includes **8 meeting rooms**, **5 of which are illuminated by natural light overlooking the Douro River** and **3 rooms are interior**. It has a total event area (indoor and outdoor) of 2500 sq. meters*

*The building where the Pestana Douro Riverside is located today, results from the conversion of a **historical factory** in the Portuguese industrial panorama, built in 1888.*

The large chimney next to the reception is one of the living testimonies of this past. Through different administrations (Monteiro Santos & Companhia, Companhia Fabril do Douro, Companhia Aliança Fabril, CUF and Floral) lasting over a century, the factory produced candles, soap and vegetable oils, with an interregnum of 15 years for adaptation works.
