DOURO RIVERSIDE
URBAN RESORT
PORTO • PORTUGAL

Pestana Douro Riverside is located on the right bank of the Douro River, 10 minutes away from Porto city center. A fascinating setting for your stay!

It is an excellent choice for meetings, with **several conference rooms**, and a huge hall **adaptable to large events**.

The Congress Center includes **8 meeting rooms**, 5 of which are illuminated by natural light overlooking the Douro River and 3 rooms are interior. It has a total event area (indoor and outdoor) of 2500 sq. meters

The building where the Pestana Douro Riverside is located today, results from the conversion of a **historical factory** in the Portuguese industrial panorama, built in 1888.

The large chimney next to the reception is one of the living testimonies of this past. Through different administrations (Monteiro Santos & Companhia, Companhia Fabril do Douro, Companhia Aliança Fabril, CUF and Floral) lasting over a century, the factory produced candles, soap and vegetable oils, with an interregnum of 15 years for adaptation works.
